

Equipping Your Employees with what They Want Most!

**Your Employees can
get the latest
Smartphones and
Tablets Combined with
Discounted Wireless
Services at
No Cost to You.**

With the Employee Value Program (EVP) you can extend your corporate wireless discounts to all employees and enable them to purchase the latest Smartphones and Tablets for personal and corporate use. Today your employees live in an always-on, always connected world. In order for them to feel fully engaged and facilitate their productivity it is imperative that they are empowered with the latest Smartphones and Tablets.

More than 2500 organizations rely on EVP for:

- > Wireless Discount Program
- > Improved Corporate Wireless Discounts
- > More Engaged Employees
- > Discounted Wireless Accessories
- > BYOD Program Management
- > Discounts on Hundreds of Popular Retail Services

Program Description

- > The Employee Value Program (EVP) provides wireless discounts and other retail discounts to employees.
- > Our EVP team is staffed with dedicated and knowledgeable mobility experts.
- > EVP provides a superior level of customer service and support much like a concierge experience.

Benefits for Employers

- > A centralized wireless program for employees' personal wireless devices and services.
- > No cost for your company to participate.
- > The more employees participating, the larger your company discount with the carriers.

Benefits for Employees

- > EVP assists you and your family members for all personally paid wireless devices and services.
- > EVP brings the convenience of the wireless retail store to you.
- > Convenient web portal to access the major wireless carriers for discounted service, upgrades, accessories and more.
